

**NOLS ALUMNI TRIP
TAHITI COSTAL NAVIGATION CLASS
MAY 17 – 19, 2012**

NOTE: This document is supplemental to the Tahiti Sail Alumni Trip documents. Please refer to those for a full gear list and information about traveling to and entering Tahiti.

Features of This Class:

- Chart plotting skills
- Navigation theory
- Small boat sailing
- Coastal navigation certification

Cost: \$450

Minimum Age: 18 years

Class Description

During this class, which takes place the three days prior to the Tahiti Sail Alumni Trip, you will have the opportunity to gain essential costal navigation skills. In the mornings, we will practice our chart work and learn navigational theory on land. In the afternoons, we will put our morning lessons to work out on the water in dinghies.

At the end of the three days you will take a navigation exam to earn your costal navigation certification.

This class also includes lessons on small boat handling and the possibility for racing, along with plenty of time for socializing in the evenings.

The cost of the trip covers instruction, small boat rental, and navigation equipment. You are responsible for your own lodging and food.

Lodging

The class will be held at the Raiatea Lodge Hotel. We recommend that you stay at this hotel or somewhere nearby.
