

Equipment List

Semester on the Borders

Welcome to NOLS Southwest and NOLS Pacific Northwest! We look forward to having you with us. We have designed this list to help you decide what equipment you will need for your course. Please take the time to read the following information carefully before making any equipment choices.

Equipment Selection

Equipment selection and care is an essential wilderness skill. There is a bewildering variety of equipment on today's market. We urge you to do some research before buying and to be careful about lots of expensive pre-course purchases. Because you will have a better understanding of your equipment preferences after your NOLS course, we recommend renting from NOLS rather than purchasing expensive gear in advance. Gear rental will provide you with the opportunity to test specific items and will help you make more informed purchases.

You are welcome to bring any gear on our equipment list that you already own. Please try to match your selections as closely as possible to the items described in the following list. Your instructors will inspect all of the gear you bring to determine if it is suitable for your course's specific route and anticipated weather. If an item is not approved, you can leave it with your luggage in our storage lockers. You may be asked to rent or purchase gear from our outfitting department to supplement what you brought with you. **Your specific instructor team, recent weather and route will ultimately determine which gear is best for your expedition.**

Gear Purchase

Throughout the course, students have the opportunity to purchase new and used equipment. NOLS offers substantial discounts for purchasing used equipment and the rental fee for gear used on your course will be applied toward the purchase price. A cautionary note: a number of additional gear purchases may raise the total outfitting bill above the equipment deposit.

If you wish to buy gear before your course, consider using one of our Preferred Retailers. These are retail stores that maintain close ties to NOLS. The staff members at these stores are familiar with NOLS and have a good idea of the equipment you need for your course. Please ask the NOLS admission office about Preferred Retailers in your area or visit our website at www.nols.edu/about/partnerships/retailers.

Equipment Fees

The NOLS Southwest and NOLS Pacific Northwest outfitting departments are capable of providing virtually all of the equipment needed for your course, with the exception of hiking boots. To cover the cost of your equipment purchases and rentals from us, you have been charged an equipment deposit in addition to the course tuition. (See your account statement for the amount.) The equipment deposit equals the cost of what the average student spends on gear purchases and rental items throughout the duration of this semester. Additional charges will be incurred for any equipment that is lost or damaged. You will be billed for any charges that exceed your equipment deposit or refunded any balance approximately 2-4 weeks after the end of your course. **Please note that the rental prices listed are per course.**

Equipment List

The following list describes the equipment necessary for your course and the availability of that equipment at NOLS Southwest and NOLS Pacific Northwest. Please pay careful attention to those items we do not provide, and/or those that are for purchase only—with no option to rent. **Please note that prices are subject to change without notice.**

The availability of each item is indicated as follows:

Available at NOLS — The item is available from NOLS, but for PURCHASE ONLY.

Must Bring — The item is NOT AVAILABLE from NOLS; bring from home.

Rental Only — The item is available for RENT from NOLS. But may be purchased at the end of your course.

Important Note: If you have not spent much time in the outdoors and have little experience with outdoor gear, this list may seem overwhelming at first. Please don't stress. Just do your best to find items that match most closely to those described. Do some research on gear online or bring this list to your local gear store for help. Please also do not hesitate to call us if you have any questions, we love hearing from future students before courses start! Please direct hiking and climbing gear questions at NOLS Southwest (520-749-0955) and sea kayaking and sailing gear questions at NOLS Pacific Northwest (360-445-6657).

Upper Body Layers

NOLS uses a layering system where different combinations of clothing are worn to achieve optimum body temperature control. The upper body garments listed here are either synthetic garments which retain their insulating properties even when wet, or nylon or Gore-Tex® layers which help prevent heat loss by repelling wind, rain, and snow. You will need three insulating layers plus a wind layer and a rain layer. All must fit comfortably over each other so they can all be worn at the same time, if necessary. One of these layers must be a heavy fleece made of Polartec® 300 or equivalent, or a synthetic-filled jacket with a zipper. If you tend to get cold easily, think about adding a fleece or synthetic vest to the other three layers. With the exception of one T-shirt, cotton or cotton blends are not acceptable. Synthetic t-shirts are ideal—silk or polyester.

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Primary Insulating Layer (Mid-Weight Top)	Available at NOLS	\$22-\$55	2	Lightweight or mid-weight underwear crew or zip turtleneck top made of wool, polyester, Capilene® or polartec power dry. For kayaking, you will want to have 2 base layers.	
Secondary Insulating Layer (Expedition Weight Top)	Available at NOLS	\$40-\$70	1	Expedition-weight crew or zip turtleneck top of polyester fleece or stretch polartec, capilene, medium-weight wool sweater or shirt.	
Top Insulating Layer (Fleece Jacket)	\$30	\$50	1	Optional. A heavyweight full-length zip fleece jacket of Polartec® 300 or equivalent weight. All other layers must be able to be fit comfortably under this top layer. You will need either a fleece or synthetic top layer (see below).	
Top Insulating Layer (Synthetic “puffy” Jacket)	\$40	\$80-\$170	1	Lighter weight and warmer than a comparable fleece jacket! A warm synthetic filled jacket is recommended for people who get cold easily. We recommend synthetic. Down can be used, but requires extra care in wet conditions. Look at the Mont-bell thermawrap series or Patagonia micro puff series of insulating layers.	
Fleece or Synthetic Vest	Fleece \$20 Synthetic \$25	Rental Only	1	Optional. A polyester fleece vest of Polartec® 200 or a synthetic filled vest (a vest is not a substitute for any other layer). This is an additional layer for early spring courses or for individuals who get cold easily.	
Wind Shirt/Jacket	\$25	\$50-\$100	1	A lightweight, breathable, nylon wind shell either pullover or full zip style. Must be large enough to fit over all of your insulating layers. Hooded wind jackets are strongly recommended. Does not need to be waterproof.	
T-Shirts	Available at NOLS	\$20- \$34	2	1 synthetic shirt for hiking, and 1 cotton shirt for climbing. We highly recommend Polyester/Capilene® for hiking because it dries much more quickly than cotton and can be incorporated into a layering system.	

Upper Body Layers (Continued...)

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Rain Jacket	Available at NOLS	\$40-\$150	1	A roomy waterproof jacket with a hood. Must be large enough to fit over all the insulating layers. Both coated nylon and breathable fabric such as Gore-Tex and H2NO® are acceptable. A parka that comes down to or below your knees is a great option and may eliminate the need for rain pants. Ponchos are not acceptable. Gore-tex® jackets can be used for kayaking and sailing. Your rain Jacket should not weigh more than 16 oz.	
Sport Bras	Available at NOLS	\$38	1	Synthetic works best.	

Our Advice? Bring the fleece jackets and polypro you think might work. We'll advise you on the best combination for your course, the season and area.

Lower Body Layers

You will need at least two synthetic insulating layers, plus a wind layer. All must fit comfortably over each other so that they can be worn at the same time.

Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Primary Insulating Layer (Light-weight or Mid-weight bottoms)	Available at NOLS	\$22-\$55	2 pairs	This insulating layer should be made of polypropylene, wool or Capilene®. Cotton and cotton blends are not acceptable. Add an extra layer if you get cold easily. For kayaking, you will want two base layers.	
Secondary Insulating Layer (Fleece Pants/ Expedition-Weight Bottoms)	\$30	\$30-\$60	1 pair	Polartec® 200 or equivalent. Side zippers (full length, or knee high) make it easier to put pants on over hiking boots.	
Wind Pants	\$35	\$65	1 pair	Breathable nylon pants that are roomy enough to fit over all lower body garments. Zippered legs will help you slip your pants on over boots. Lightweight running pants are not durable enough. We recommend that you rent wind pants from us. NOLS has a custom design that includes zippered legs and reinforced patches at points of wear.	
Rain Pants	SW Not Available/ PNW Purchase only	\$60-\$125	1 pair	Most people find that these are not necessary for your time in the southwest, though they are needed for kayaking in the northwest. Breathable rain pants can double as wind pants.	

Lower Body Layers (Continued...)					
Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Nylon Shorts	Available at NOLS	\$15-\$45	1 pair	For the hiking and sea kayaking sections. Loose fitting nylon athletic or river shorts work well. Cotton shorts are unacceptable.	
Underwear	Available at NOLS	\$18-\$30	2-4 pair	Silk / synthetic or none. We recommend that men go without underwear, and just use nylon shorts with liners. Women should go with what's comfortable.	
Our advice? Bring the synthetic or wool long johns or exercise pants you think might work. We'll advise you on the best combination for your course.					

Head, Neck and Hand Layers					
Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Sun Hat, Baseball Cap or Visor	Available at NOLS	\$20	1	Bring a baseball hat, sun hat or visor to protect face and ears from the sun.	
Wool/Fleece Hat	Available at NOLS	\$16-\$32	1	A warm hat made of wool or fleece.	
Balaclava	\$4	\$16	1	Full head and neck coverings with an opening for the face. Usually made out of Polartec® 100 or 200 fleece.	
Lightweight Gloves	Available at NOLS	\$4-\$24	1 pair	Ragg wool or fleece are acceptable.	

Packs					
Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
We carry NOLS Lowe packs, NOLS Deuter packs and Dana Design Astraplanes.					
Backpack	\$80	New \$320-\$490 Used packs available for \$200- \$350	1	<p>Various internal frame backpacks are available to rent from NOLS. Our packs are large, expedition models. If you are planning to purchase a pack in advance, it must have a volume of 4500-5500 cubic inches. A compression stuff sack is required for your sleeping bag.</p> <p>Recommended packs: NOLS/Deuter Pack (available through NOLS Mail Order). Osprey Aether, or other packs of similar quality and capacity.</p> <p>If you do not already own a backpack, we recommend you rent one from us. You can decide after your course what size and type of backpack you wish to purchase. If you bring your own backpack your instructors will examine it to determine its suitability.</p>	

Packs (Continued...)

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Day Pack	\$45	\$160	1	Used for the climbing section. Needs to be big enough for personal things and group climbing gear—minimum of 2500 cubic inches. A school book-bag pack is usually too small.	
Small Zip (Duffel) Bag	\$6	\$14	1	1 lightweight medium-sized zippered nylon bag (approx. 12" x 24") with nylon handles is used as part of our packing system.	
Small Stuff Sacks (Ditty Bags)	\$1 each	\$3-\$10	2 or 3	Small nylon or mesh sacks with drawstrings for organizing items in your pack.	
Big Duffel Bag	\$15	\$28	1	A large-sized zippered nylon bag (4000-8000 cu. inches) is used for packing your gear on the climbing section.	

Our advice? An expedition backpack is a major purchase. If you don't already own one we think you should use ours, gain some experience, then make an informed decision based on your needs.

Sleeping Gear

Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Sleeping Bag	\$75	Available new and used for \$90-\$180	1	Despite popular belief, it gets very cold in the Southwest at night. We recommend synthetic-filled bags (Quallofil®, Hollofil®, Polarguard®, etc.). These bags are very durable and perform well in the variety of conditions we encounter. A bag with a 0°-10° F temperature rating is required. Bags lose loft and subsequent warmth over the years (at least 10° of warmth over the course of a year). We stock 0° Mountain Hardwear bags. Down or feather-filled bags are not suitable for the wet and windy conditions encountered on the ocean-based portion of your course.	
Compression Sleeping Bag Stuff Sack	\$15-\$25	\$20 - \$55	1	These stuff sacks have straps attached to compress your sleeping bag and ease packing.	
Plastic Trash Bags	Purchase Only	\$.50 - \$.75	2-3	2-3 heavy-duty trash compactor bags (33 gallon) to help waterproof your sleeping bag stuff sack and backpack.	
Sleeping Pad	\$7	\$8-\$12 (ensolite) \$60-\$90 (Therm-A-Rest®)	1	A 3/4-length closed cell foam or “self inflating” pad to insulate and pad between the ground and your sleeping bag. Self-inflating Therm-A-Rest® type pads are acceptable if you bring a patch repair kit. NOLS does not rent self-inflating pads.	

Sleeping Gear (Continued...)

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Sleeping Pad Stuff Sack	\$4	\$8-\$12	1	If you are planning to rent a foam pad from us, then plan to rent a stuff sack, as well. This helps make it easier to pack and cuts down on wear and tear.	
Ground Cloth	\$5	\$8-\$12	1	A nylon sheet to go between your sleeping pad and the ground.	

Our advice? A sleeping bag is another major purchase. If you don't already own one, we think you should use ours, gain some experience, then make an informed decision on your needs.

Climbing Equipment

Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Helmet	No Charge	NA	1	You may bring your own UIAA approved helmet.	
Rock Shoes	\$45	New & used \$60-130	1 pair	Shoes should be tight fitting (“toes just hit the end”), but loose enough that they can be worn for up to five hours at a time. If you rent shoes from NOLS you will be required to wear sock liners with them.	
Harness	\$20	\$70	1	We have harnesses to rent, but if you own one, bring it along.	
Cotton Climbing Pants	Must Bring	Must Bring	1	Optional. Loose fitting pants to protect your legs while climbing.	
Cotton Shorts	Available at NOLS	\$37 - \$45	1 pair	Cotton shorts are appropriate for your climbing section. Longer shorts are best to wear with a harness. We have a limited stock of Prana® sportswear.	
Chalk Bag	Available at NOLS	\$18	1	Optional. Chalk bags hold chalk that is used to dry hands while climbing.	
Chalk Ball	Available at NOLS	\$4	1	Optional. Gymnastic chalk enclosed in a tight mesh sock. Used to dry hands while climbing.	

Our advice? If you own a harness, helmet, chalk bag and pair of shoes, bring them along. If your instructors approve, you can use them. We will use the school's climbing protection, belay devices, slings, carabiners and ropes.

Sea Kayaking & Sailing Equipment

Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Paddling Jacket	\$30	\$115	1	A waterproof nylon jacket with neoprene seals on cuffs and collar.	
Kayaking Foul Weather Jacket	\$20	\$25	1	A heavy-duty, waterproof jacket (PVC or similar material). If you have a suitable Gore-Tex jacket, bring it. It may be used for kayaking/sailing sections.	

Sea Kayaking & Sailing Equipment (Continued...)

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Kayaking Foul Weather Bibs	\$15	\$125	1 pair	Heavy duty, waterproof bibs (PVC or similar material). Gore-tex® pants will also work.	
Personal Floatation Device (PFD)	\$15	\$135	1	A class III vest with whistle designed for kayaking. We use Lotus Deepwater and Locean, Astro Bouyancy Tempo 200.	
Paddling Pogies/Gloves	\$7	\$35	1 pair	Made to fit over a kayak paddle, either insulated or non-insulated. Neoprene recommended.	
Rain Hat / Sou'wester	\$4	\$10	1	We suggest a Sou'wester-type rain hat even if your foul weather jacket has a hood.	
Rubber Boots	\$18	\$75	1 pair	Knee high, all-rubber boot with a very good tread sole that fit comfortably with 1-2 pairs of socks. We use XTRATUFs® for exploring beaches and in camp.	
Waterproof Dry Bag	\$5	\$12-\$40	2	10 liter and 20-liter waterproof rubberized dry bags used for kayaking.	
Zip (Duffel) Bags	\$5	\$10-\$60	2	One small size (9"x 12") and one large size (12"x24") zippered nylon bags used as clothing and storage bags for sailing.	
Sailing Foul Weather Jacket	\$20	\$150	1	A heavy duty, offshore-weight waterproof jacket fully lined. Gore-tex® jacket will work.	
Sailing Foul Weather Bibs	\$20	\$125	1	Heavy duty, offshore weight waterproof bibs. Gore-tex® pants will work.	
Deck Boots	\$10	\$45	1 pair	Mid-calf yachting boot with a very good razor-slit non-skid sole. We only stock to size 13.	

Miscellaneous Items

Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Insulated Mug	Available at NOLS	\$4-\$10	1	12 to 20 oz. insulated mugs with lids are preferred.	
Bowl	Available at NOLS	\$3-\$5	1	A bowl with a snap-on lid is also handy. Tupperware is best.	
Spoon	Available at NOLS	\$1	1	Lexan spoons are light, durable and popular.	
Water Bottles	Available at NOLS	\$7-\$10	2	Wide mouth quart- or liter-size plastic bottles with a total capacity of 2 liters.	
Hydration System	Available at NOLS	\$32-\$60	1	Very handy and popular. We carry a variety of Camelbak® packs.	
Lip Balm	Available at NOLS	\$2	1	Stick, cream, or tube type moisturizing balm with sun protection factor SPF 15 or greater.	

Miscellaneous (Continued...)					
Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Sunscreen	Available at NOLS	\$3-\$9	1	An 8- to 10-ounce tube with sun protection factor SPF 15 or greater.	
Bandannas	Available at NOLS	\$3	2 or 3	A few of these are always handy.	
Sunglass Retainers	Available at NOLS	\$6	1	Optional. Chums® or Croakies® for keeping track of your glasses or sunglasses.	
Sunglasses	Available at NOLS	\$36-\$100	1 pair	Lenses should block 100% ultraviolet and 95% infrared light. We carry various brands and styles.	
Headlamp	Available at NOLS	\$20-40	1	Durable and lightweight. LED Head lamps are popular. Bring spare batteries. We carry Tikka®, TikkaPlus®, and TikkaXP® headlamps.	
Batteries	Available at NOLS	\$.75 each	2 sets	We have AA and AAA batteries for sale.	
Disposable Lighter	Available at NOLS	\$1.50	1	Used for lighting your camp stove.	
Toilet Articles	Available at NOLS	\$.50 - \$2	1 of each	Toothbrush, toothpaste, comb, brush, skin lotion, tampons, etc. Travel or trial sizes are enough. We carry soap, toothpaste, toothbrushes and shampoo.	
Watch	Available at NOLS	\$18-\$50	1	A watch with an alarm is a necessary item.	
Notepad and Pencil/Pen	Available at NOLS	\$4/\$.50	1	A small, lightweight pad is necessary for taking notes.	
Town Clothes	Must Bring	Must Bring	2 sets	Bring two sets of comfortable clothing that you can travel in — jeans, shorts, t-shirt, rugby, etc. Avoid bringing excess clothing, as storage space is limited.	
Bathing Suit	Must Bring	Must Bring	1	Used during kayak/sail sections.	
Towel	No Charge	NA	1	We will provide you a towel for showering with in between sections.	
Our advice? Keep the toiletries, pocket knife and camera gear to small sizes. We work to keep our pack weight as low as possible, but our packs are still heavy. Saving every ounce is essential!					

Optional Items					
Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Liner Socks	Available at NOLS	\$7	2 or 3 pairs	Lightweight wool, polypropylene or Capilene® "wick dry" socks. You will need at least two pairs if you are using the liner sock/wool sock combination in your hiking boots. If you're renting climbing shoes from us, these are mandatory.	

Optional Items (Continued...)

Equipment Item	Rental Price	Purchase Price	Quantity	Comments	Check List
Pocket Knife	Available at NOLS	\$40-\$60	Optional	One small, lightweight, knife is sufficient. Simple Swiss Army knives are best.	
Vitamins	Must Bring	Must Bring	Optional	Not necessary, but a small quantity of multi-vitamins is popular among staff and students for this length of course.	
Insoles	Must Bring	Must Bring	1 pair	To assure your comfort in hiking boots an after market insole (these are insoles available for purchase separate from footwear) can provide arch support, stabilize your foot and heel, add cushion and help volume adjustment. Suggestions are Spenco Polysorb®, Superfeet, Montrail Stabilizing Insoles.	
Book	Available at NOLS	\$6-\$38	1 or 2	A small, lightweight paperback reading book.	
Thermos	Available at NOLS	\$24-\$28	1	Great for keeping morning drinks warm during base camps or sailing/kayak sections.	
Camera	Available at NOLS	\$10	1	Lightweight, 35 mm or digital compact cameras are sufficient; bring a protective case. Avoid heavy lenses and elaborate set-ups. We sell disposable cameras.	
Backpacker's Camp Chair	Available at NOLS	\$35	1	Crazy Creek or one with Therm-A-Rest fitting. These collapsible camp chairs may mean carrying a little extra weight, but can be used as a sleeping pad too.	
Roll of quarters/cash	Must Bring	Must Bring	\$5-\$10	For doing laundry between sections.	
Prescription Glasses And Contact Lenses	Must Bring	Must Bring	1-2 pairs	Bring a spare pair of glasses or lenses. Contact lens wearers should also bring a pair of glasses as backup. Prescription sunglasses are a nice item to have.	
Trekking Poles	\$15/pole	Rental Only	1 or 2	If you like to use a ski pole while you hike. Should be a sturdy 2-3, section pole that packs easily.	
Collapsible Umbrella	Must Bring	Must Bring	1	If you already have one, you may bring it.	
Binoculars	Must Bring	Must Bring	1	These are recommended to help you develop your ability to assess sea conditions. 7x35 or 8x35 are good choices. You may need a waterproof container since you'll be around salt water.	

Footwear					
Equipment	Rental Price	Purchase Price	Quantity	Comments	Check List
Hiking Boots	Must Bring	Must Bring	1 pair	Sturdy all leather heavy backpacking boots with good ankle support and proper fit are critical for hiking on uneven terrain with heavy expedition packs. See information below.	
Socks	Available at NOLS	\$12-\$14	3-4 pair	Crew length. Socks must be heavy ragg wool or heavy wool/synthetic blend. Cotton blend socks are not appropriate.	
Gaiters	Available at NOLS	\$29-\$36	1 pair	Gaiters keep dirt and other debris from entering the boot, and are a critical part of your footwear system. Outdoor Research, Black Diamond, Granite Gear, Rocky Mtn High, and Mountain Hardwear all manufacture suitable gaiters.	
Camp Shoes	Must Bring	Must Bring	1 pair	Running, tennis or cross-training shoes, in good condition, to wear around camp. Open-toed "river" or "mountain" sandals are not acceptable for the backcountry.	
Our advice? Your boots will be a critical piece of gear. If they're not sturdy, don't provide enough support or don't fit properly with at least a liner and a wool sock, we won't let you use them. If you have any doubts about boots, please give us a call.					

Recommended Boots

NOLS Southwest does not rent or sell hiking boots. Medium-weight, off-trail backpacking/light mountaineering boots work best. This type of backpacking boot is constructed with a full grain leather upper and typically has a Vibram® rubber sole. Some models utilize an injection molded, composite rubber sole with a randed welt to bond the leather upper to the sole. Both types of sole are acceptable. These boots are designed for extended backpacking, provide good support for off-trail hiking with heavy packs, and usually require less break-in time than heavyweight mountaineering boots.

The following list is not exhaustive and is to be used for suggestions only. The models listed here should help define what boots are acceptable for your course. It is fine to substitute a similar boot for one of the types listed here provided the boot that you bring is a good quality leather model designed for extended backpacking expeditions with heavy packs.

Examples Of Acceptable Boots

Asolo: TPS 520 GV, TPS 535

La Sportiva: Latok Trk, Thunder GTX

Scarpa: Delta M3, SL M3

Lowa: Tahoe GTX, Tibet GTX, Banff

Montrail: Blue Ridge, Torre, Traverse

Technica: Galaad NB, Galaad SD GTX

Garmont: Dakota, Expedition, Montana

Raichle: Mt Peak, Mt Trail

Vasque: Zephyr, Luna, Wasatch GTX, Sundowner Summit GTX

*Please note that boot manufacturers often rename their product line. Visit the manufacturer's website or contact us if you have questions.

Group Equipment

All items listed below are provided by NOLS and shared among all expedition members. Group equipment is included as part of the course tuition; however, students will be charged for any lost or damaged group equipment.

Tents & Shelters

Camp Stoves

Fuel and Fuel Bottles

First Aid Kits

Trowels

Kayaks and Accessories

Boat Bags

Climbing Protection

Climbing Ropes

Cooking Gear/Spice Kits

Bear Resistant Food Containers

Fishing Equipment
