

ADA accessible
entrance to the
Whyte Room
from 4th Street.

Most conference sessions and events take place on the 2nd floor around the atrium and in the Grand Pavilion. However, workshops in the Whyte Room take place on the 1st floor. To get to the ADA accessible entrance from the 2nd floor: take the elevators down to the lobby, exit through the main entrance, turn left on Tijeras Avenue NW, continue along the sidewalk and turn left on 4th Street. You'll see a large entrance labeled "chapel." Head through the doors and you'll see the Whyte Room.

Alternatively, although there is not a public elevator to the Whyte Room, you may be allowed to go through the kitchen area or utilize service elevators to get to the Whyte Room. Call the front desk for assistance (505-842-1234) or find WRMC staff.

See map on next page.

Hotel Lobby
entrance on
Tijeras Ave
NW

Whyte Room
entrance on
4th Street
(the "chapel")

Follow the sidewalk around the hotel
to access the ADA compliant
entrance to the Whyte Room.
