Come travel the world with NOLS!

This map is a representation of the world many of us are familiar with, but presents a view of the world that is centered on Europe and North America. While we’ve chosen to use this map for clarity, we invite you to educate yourself on different versions of maps and how these can impact your view of the world here.
Thank you.

The COVID-19 Pandemic has been a challenging time for everyone and NOLS was no exception. The school is still struggling with the impacts but thanks to the generosity and support of our Alumni we see a path forward. NOLS Alumni trips are incredible adventures that take us to some of the world’s most amazing places. To make it even better, we get to do it with fellow NOLSi’s. The true value in these trips though is bringing our passionate grads, their families, and friends back to NOLS to inject our community with energy and life.

Thank you for being a part of NOLS.
