Come travel the world with NOLS!

This map is a representation of the world many of us are familiar with, but presents a view of the world that is centered on Europe and North America. While we’ve chosen to use this map for clarity, we invite you to educate yourself on different versions of maps and how these can impact your view of the world here.
NOLS welcomes a new President!

On October 11, the NOLS Board of Trustees announced that Sandy Colhoun has been hired as the new NOLS President. Sandy has already begun in his new role and we are excited to have them onboard. The full press-release can be read here.

Sandy comes on board to lead a strong community of Alumni and Employees forward as the school evaluates its next Strategic Plan and embarks on a continuation of the transformation project that emerged during the pandemic.

NOLS Alumni trips are not isolated from changes and we are excited to announce that this program will continue to expand and grow. With new trips being added all the time, make sure you are subscribed to the Alumni Trips Insider monthly newsletter to stay up to date.

Each year NOLS Alumni, their family, and friends honor us with their time and money by joining an Alumni trip. We continue to be humbled by the amazing grads and community that we all share. The locations that we run trips in are amazing, but on every single trip, it is the group that makes the experience.

Thank you for being a part of NOLS.
