

## **WILDERNESS FIRST RESPONDER COURSE**

Sponsored by *YOSEMITE BUG LLC* and NOLS Wilderness Medicine

**DATES:** *November 27th- December 6th*

**COST:** \$755 tuition only

**LOCATION:** *Yosemite Bug 6979A CA-140 Midpines, CA*

## **COURSE DESCRIPTION**

The Wilderness First Responder course is essential if you work or recreate in the outdoors or in other austere environments where access to medical care is delayed or communication is unreliable. It is the industry standard for professional guides, trip leaders, search and rescue team members, outdoor recreationists, and international travelers. Upon completion, you will be able to conduct a thorough physical exam, obtain a patient history, assess vital signs, provide emergency care in the wilderness, and make crucial evacuation decisions. During this fast-paced, engaging course, you will spend half your time practicing skills and participating in realistic scenarios, including a full-scale night mock rescue.

NOLS Wilderness Medicine's nationally recognized curriculum encompasses a wide range of topics including long-term patient care, wound management, selective spine immobilization, reducing dislocations, litter packaging, and epinephrine administration. Dynamic educators who have practiced medicine in both wilderness and urban environments will teach you skills and protocols to step forward in an emergency, and you will finish the intensive 80-hour course with the tools and confidence to manage patients in the backcountry for multiple days.

Upon successful course completion you will earn the following NOLS Wilderness Medicine certifications: Wilderness First Responder, Adult and Child CPR & Airway Management, and Epinephrine Auto-injector.

## **CLASS FORMAT AND PERSONAL PREPAREDNESS**

Check in is at 7:45 a.m. on the first day of the course. Course days run from 8:00 a.m. to 5:00 p.m., with two additional evening sessions. Ten-day courses will include a day off; nine-day courses do not. The class format is classroom lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes.

Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient. Frequently stage (moulage) blood and make-up are used to enhance the realism of a scenario. The classroom environment generally lends itself to a pair of indoor comfy shoes and a camp chair. A 4-hour evening, outdoor mock rescue is part of the curriculum; dress accordingly.

## **NOLS WILDERNESS MEDICINE POLICIES**

### **Cancellations**

If you cancel or withdraws from a course:

- 30 days prior to the course start date, *YOSEMITE BUG LLC* will retain a \$30.00 administrative fee.
- Within 30 days of the course start date, tuition is non-refundable and non-transferable
- Once the course begins, no refunds will be awarded. All course registrations are non-transferable.

### **Pets**

Pets are not allowed at the course site. This includes leashing them outside. Any student bringing a pet to class will be asked to leave until the pet is safely situated in a kennel or other facility. No exceptions.

### **Alcohol and Tobacco**

No alcohol or tobacco is allowed on site.

### **Firearm**

You may not bring firearms or other weapons on a NOLS course.

## **CONTINUING EDUCATION**

### **EMT Continuing Education**

NOLS Wilderness Medicine is proud to be a Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE) accredited organization. Current EMTs are eligible to receive 70 CEU hours at no additional cost for participation in a Wilderness First Responder course.

Please bring a photocopy of your current EMT card(s) with you to your course. Also, ensure that CAPCE CEUs will be accepted by your State EMS organization.

### **Fellowship in the Academy of Wilderness Medicine (FAWM)**

Through joint sponsorship with the Wilderness Medical Society active members of WMS may earn up to 55 hours at no additional cost for participation in the Wilderness First Responder course. Learn more about WMS here: [www.wms.org](http://www.wms.org)

## **COLLEGE CREDITS**

### **Pre-Course Access to College Credit**

The WFR course is pre-approved for three semester hour credits through Western State Colorado University (WSCU) for an additional cost of \$240. Thirty days **prior** to the NOLS Wilderness Medicine course, interested students must initiate registration and payment for credit by requesting an enrollment form for WSCU from NOLS Wilderness Medicine.

## **On-Course Access to College Credit**

The WFR course is pre-approved for three semester hour credits through the University of Utah for an additional cost of \$300. If you are interested in receiving college credit, please inquire with your instructors on the first day of class for the necessary information.

## **STUDENT LOGISTICS**

### **Meals and Lodging**

Contact Bre at, [Bre@yosemitebug.com](mailto:Bre@yosemitebug.com) or (209) 966-6666 for further details

### **Travel**

*The course will take place at The Yosemite Bug Rustic Mountain Resort, located at 6979 Highway 140, Midpines, CA 95345, please go to our website for further directions from all points from California. We suggest not using GPS or those forms of directions as being in the mountains tend to put you on off roads, we are 9 miles east of the Town of Mariposa on Highway 140. <http://yosemitebug.com/transportation.html>*
