

WILDERNESS FIRST RESPONDER RECERTIFICATION

Sponsored by Cottonwood Gulch Expeditions and NOLS Wilderness Medicine

DATES: May 25-27, 2019

COST: \$290

LOCATION: Bachechi Open Space, Albuquerque, NM

COURSE DESCRIPTION

Review, practice, and stay on top of your skills with NOLS Wilderness Medicine's Wilderness First Responder Recertification Course. This scenario-based approach to recertification provides the opportunity to test your skills against realistic situations.

You will practice and relearn wilderness medicine protocols, review evacuation and decision making guidelines, and receive the latest curriculum updates over the course of three days.

You are required to complete both written and practical testing to recertify on this Recertification course. To achieve a passing score (70%) on the written multiple-choice exam, you must review previous course materials. Please come prepared.

These online resources will assist you:

www.nols.edu/en/resources/wilderness-medicine-resources/

Upon successful course completion, dependent on your current certification, you will earn the one of your NOLS Wilderness Medicine certifications: Wilderness Advanced First Aid/Wilderness First Responder/ Wilderness EMT, Adult and Child CPR & Airway Management; and Epinephrine Auto-injector.

CLASS FORMAT AND PERSONAL PREPAREDNESS

Check in is at 7:45 a.m. on the first day of the course. Course days run from 8:00 a.m. to 5:00 p.m. Attendance is required at all classes. The course consists of demonstrations, a few short lectures, skills practice sessions, and many practical scenarios.

Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient.

Frequently stage-blood and make-up are used to enhance the realism of a scenario. The classroom environment often lends itself to a pair of comfy shoes and a camp chair.

WAFA/WFR/WEMT RECERTIFICATION REQUIREMENTS

NOLS Wilderness Medicine Graduates

NOLS Wilderness Medicine certification holders will be afforded a one-year period after expiration within which to recertify. This one-year re-entry period is only offered to those certified through NOLS Wilderness Medicine. Enrolled students must bring their certification card to the course so that the instructor can verify the expiration date.

Graduates from Other Wilderness Medicine Providers

NOLS Wilderness Medicine welcomes eligible graduates from other providers to recertify on our Wilderness First Responder Recertification course or our Hybrid Wilderness First Responder Recertification course. To be eligible for recertification you must possess a current (unexpired) WAFA certification, WFR certification from a provider whose WFR course is a minimum of 70 hours, or WEMT certification.

There is no re-entry period once your certification expires. It is your responsibility to make sure your certification meets this standard. If you are unsure, please contact NOLS Wilderness Medicine to verify your certification qualifies before enrolling in a course.

Students certified by other wilderness medicine providers are required to submit a photocopy of their unexpired certification card on the first day of the course. We cannot issue you a new card until we have verified your previous training.

Students recertifying the wilderness portion of their WEMT certification must submit a photocopy of their current EMT card on course.

REGISTRATION

Tuition payment in full is required to reserve your spot in the course. You may register and pay at: <http://www.cottonwoodgulch.org/treks/wilderness-medicine-courses/>
