

WILDERNESS FIRST RESPONDER COURSE

Sponsored by Center Activities and NOLS Wilderness Medicine

DATES: January 9-18, 2019

COST: \$650 HSU Students • \$725 All Others • Tuition only

LOCATION: Humboldt State University, Arcata, CA

The class will meet in Nelson Hall East, Room 102, also known as Goodwin Forum. You'll find this location marked on the enclosed map in area 5 between D & E.

COURSE DESCRIPTION

The Wilderness First Responder course is essential if you work or recreate in the outdoors or in other austere environments where access to medical care is delayed or communication is unreliable. It is the industry standard for professional guides, trip leaders, search and rescue team members, outdoor recreationists, and international travelers. Upon completion, you will be able to conduct a thorough physical exam, obtain a patient history, assess vital signs, provide emergency care in the wilderness, and make crucial evacuation decisions. During this fast-paced, engaging course, you will spend half your time practicing skills and participating in realistic scenarios, including a full-scale night mock rescue.

NOLS Wilderness Medicine's nationally recognized curriculum encompasses a wide range of topics including long-term patient care, wound management, selective spine immobilization, reducing dislocations, litter packaging, and epinephrine administration. Dynamic educators who have practiced medicine in both wilderness and urban environments will teach you skills and protocols to step forward in an emergency, and you will finish the intensive 80-hour course with the tools and confidence to manage patients in the backcountry for multiple days.

Upon successful course completion you will earn the following NOLS Wilderness Medicine certifications: Wilderness First Responder, Adult and Child CPR & Airway Management, and Epinephrine Auto-injector.

CLASS FORMAT AND PERSONAL PREPAREDNESS

Check in is at 7:45 a.m. on the first day of the course. Course days run from 8:00 a.m. to 5:00 p.m., with two additional evening sessions. Ten-day courses will include a day off; nine-day courses will not. The class format is classroom lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes.

Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient. Frequently stage (moulage) blood and make-up are used to enhance the realism of a scenario. The classroom environment generally lends itself to a pair of comfy shoes or slippers and a camp chair. A 4-hour evening, outdoor mock rescue is part of the curriculum; dress accordingly.

Packing Checklist

- ✓ Notebook and pencil or pen
- ✓ Watch with second hand or digital second
- ✓ Sunglasses and hat
- ✓ Water bottle
- ✓ Headlamp
- ✓ Light day pack
- ✓ Waterproof outerwear top and bottom
- ✓ Light hiking boots or sturdy shoes
- ✓ Clothing layers that allow you to be comfortable in a variety of weather conditions
- ✓ Slippers or comfortable shoes for classroom time (optional)
- ✓ Camp chair for classroom time (optional)

COURSE OUTLINE

For the full course outline, visit the WFR course page:

www.nols.edu/en/coursefinder/courses/wilderness-first-responder-WFR/

REGISTRATION AND TUITION PAYMENT

50% payment is required to reserve your spot in the course prior to December 1st; the remaining 50% is due by December 7th. Registrations received after December 1st require payment in full. Tuition is payable by check (with driver's license number), Visa/MasterCard/Discover/American Express, or cash. The tuition fee covers textbooks, syllabus, equipment, certification and continuing education credits. NOLS Wilderness Medicine is not obligated to allow any student to attend a course until all NOLS Wilderness Medicine paperwork has been received, reviewed and approved by NOLS Wilderness Medicine.

CANCELLATIONS

If you cancel on or before December 7th, a \$35 fee will be assessed. There will be no refunds after December 8th. This policy supercedes the standard Center Activities refund policy. A full refund will be given if we have to cancel the course for any reason.

NOLS WILDERNESS MEDICINE STUDENT AGREEMENT

Please download this agreement and read it carefully as it affects your legal rights: <https://www.nols.edu/en/filer/public/1481683959/906/>

Bring the two-page signed document to the first day of the course. If you are a minor, a parent or guardian must sign the document as well. Without a signed document, you cannot participate in the course. **NOLS Wilderness Medicine participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of NOLS Wilderness Medicine program and are at the sole risk of the participant.**

NOLS WILDERNESS MEDICINE POLICIES

Pets

Pets are not allowed at the course site. This includes leashing them outside. Any student bringing a pet to class will be asked to leave until the pet is safely situated in a kennel or other facility. No exceptions.

Alcohol and Tobacco

No alcohol, tobacco or vaping is allowed on site. Humboldt State is a smoke-free campus.

Firearms

You may not bring firearms or other weapons to a NOLS course or to the HSU campus.

CONTINUING EDUCATION

EMT Continuing Education

NOLS Wilderness Medicine is proud to be a Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE) accredited organization. Current EMTs are eligible to receive 70 CEU hours at no additional cost for participation in a Wilderness First Responder course. Please bring a photocopy of your current EMT card(s) with you to your course. Also ensure that CAPCE CEUs will be accepted by your State EMS organization.

Fellowship in the Academy of Wilderness Medicine (FAWM)

Through joint sponsorship with the Wilderness Medical Society active members of WMS may earn up to 55 hours at no additional cost for participation in the Wilderness First Responder course. Learn more about WMS here: <http://www.wms.org/>

COLLEGE CREDITS

Pre-Course Access to College Credit

The WFR course is pre-approved for three semester hour credits through Western State Colorado University (WSCU) for an additional cost of \$240. Thirty days **prior** to the NOLS Wilderness Medicine course, interested students must initiate registration and payment for credit by requesting an enrollment form for WSCU from NOLS Wilderness Medicine.

On-Course Access to College Credit

The WFR course is pre-approved for three semester hour credits through the University of Utah for an additional cost of \$300. If you are interested in receiving college credit, please inquire with your instructors on the first day of class for the necessary information.

STUDENT LOGISTICS

Meals and Lodging

Meals and lodging are not provided for this course. Lodging options are provided at the end of this document.

Parking

Campus parking permits are **REQUIRED** during the course excluding weekends. Metered spots do not accept permits -you must pay with coins. Lots marked with a (G) are general lots. Day permits are available for \$3.50 per day at kiosk locations in each parking lot. Day permits are not valid in lots marked with an (S) which are staff lots. You may also park off campus without a permit. Tickets are expensive so please regard the signage in the lot or space where you are parking!

The Parking Kiosk booth as indicated on the enclosed HSU campus map is a good place to check for information when you arrive on campus. If they are not open you can check with University Police which is downstairs in the building marked Student Business Services. Information is also on the <http://www2.humboldt.edu/parking/> . For interactive maps, click on "Helpful Maps" on the left hand column. Click on "Campus Parking Maps" for details on the location of permit dispensers and general lots.
