

OUTDOOR PROGRAM

WILDERNESS FIRST RESPONDER RECERTIFICATION

Sponsored by *the University of Wyoming Outdoor Program* and NOLS Wilderness Medicine

DATES: *January 19th-21st*

COST: *\$275 for UW Students/\$325 all others*

LOCATION: *Half Acre Recreation & Wellness Center rm. 115,
University of Wyoming*

COURSE DESCRIPTION

Review, practice, and stay on top of your skills with NOLS Wilderness Medicine's Wilderness First Responder Recertification Course. This scenario-based approach to recertification provides the opportunity to test your skills against realistic situations.

You will practice and relearn wilderness medicine protocols, review evacuation and decision making guidelines, and receive the latest curriculum updates over the course of three days.

You are required to complete both written and practical testing to recertify on this Recertification course. To achieve a passing score (70%) on the written multiple-choice exam, you must review previous course materials. Please come prepared.

These online resources will assist you:

www.nols.edu/en/resources/wilderness-medicine-resources/

Upon successful course completion, dependent on your current certification, you will earn the one of your NOLS Wilderness Medicine certifications: Wilderness Advanced First Aid/Wilderness First Responder/ Wilderness EMT, Adult and Child CPR & Airway Management; and Epinephrine Auto-injector.

CLASS FORMAT AND PERSONAL PREPAREDNESS

Check in is at 7:45 a.m. on the first day of the course. Course days run from 8:00 a.m. to 5:00 p.m. Attendance is required at all classes. The course consists of demonstrations, a few short lectures, skills practice sessions, and many practical scenarios.

Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient.

Frequently stage-blood and make-up are used to enhance the realism of a scenario. The classroom environment often lends itself to a pair of comfy shoes and a camp chair.

PACKING CHECKLIST

- ✓ Notebook and pencil or pen
- ✓ Watch with second hand or digital second
- ✓ Sunglasses and hat
- ✓ Water bottle
- ✓ Light day pack
- ✓ Waterproof outerwear top and bottom
- ✓ Light hiking boots or sturdy shoes

- ✓ Camp chair for classroom time (optional)

COURSE OUTLINE

For the full course outline, visit the WFR Recertification course page:

www.nols.edu/en/coursefinder/courses/wilderness-first-responder-recertification-WFRR/.

WAF/WFR/WEMT RECERTIFICATION REQUIREMENTS

NOLS Wilderness Medicine Graduates

NOLS Wilderness Medicine certification holders will be afforded a one-year period after expiration within which to recertify. This one-year re-entry period is only offered to those certified through NOLS Wilderness Medicine. Enrolled students must bring their certification card to the course so that the instructor can verify the expiration date.

Graduates from Other Wilderness Medicine Providers

NOLS Wilderness Medicine welcomes eligible graduates from other providers to recertify on our Wilderness First Responder Recertification course or our Hybrid Wilderness First Responder Recertification course. To be eligible for recertification you must possess a current (unexpired) WAF certification, WFR certification from a provider whose WFR course is a minimum of 70 hours, or WEMT certification.

There is no re-entry period once your certification expires. It is your responsibility to make sure your certification meets this standard. If you are unsure, please contact NOLS Wilderness Medicine to verify your certification qualifies before enrolling in a course.

Students certified by other wilderness medicine providers are required to submit a photocopy of their unexpired certification card on the first day of the course. We cannot issue you a new card until we have verified your previous training.

Students recertifying the wilderness portion of their WEMT certification must submit a photocopy of their current EMT card on course.

NOLS WILDERNESS MEDICINE STUDENT AGREEMENT

Please download this agreement and read it very carefully as it affects your legal rights:
www.nols.edu/en/filer/public/1481683959/906/

Bring the two-page signed document to the first day of the course. If you are a minor, a parent or guardian must sign the document. Without a signed document, you cannot participate in the course.

NOLS Wilderness Medicine participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of the NOLS Wilderness Medicine program and are at the sole risk of the participant.

NOLS WILDERNESS MEDICINE POLICIES

Pets

Pets are not allowed at the course site. This includes leashing them outside. Any student bringing a pet to class will be asked to leave until the pet is safely situated in a kennel or other facility. No exceptions.

Alcohol and Tobacco

No alcohol or tobacco is allowed on site.

CONTINUING EDUCATION AND COLLEGE CREDITS

EMT Continuing Education

NOLS Wilderness Medicine is proud to be a Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE) accredited organization. Current EMTs are eligible to receive 18 CEU hours for participation in a Wilderness First Responder course. Please bring a photocopy of your current EMT card(s) with you to your course.

More information on continuing education credits can be found here:

www.nols.edu/en/resources/credit-continuing-education/continuing-education/

Pre-Course Access to College Credit

The WFR Recert course is pre-approved for one semester hour credit through Western State Colorado University (WSCU) for an additional cost of \$80. Thirty days **prior** to the NOLS Wilderness Medicine course, interested students must initiate registration and payment for credit by requesting an enrollment form for WSCU from NOLS Wilderness Medicine.

STUDENT LOGISTICS

Meals and Lodging

Meals and lodging are not offered for this course. Below are some lodging options:

Camping Options:

The nearest camping is approximately 25 minutes away at the [Vedauwoo Campground](#). For information, contact the Medicine Bow National Forest office at (307) 745-2300.

Lodging Options:

Holiday Inn (307) 721-9000 204 S 30th St, Laramie, WY 82070
Super 8 (307) 745-8901 1987 Banner Rd. Laramie, WY 82072

More Information:

Laramie Chamber Business Alliance (307) 745-7339

Travel & Parking
