

WILDERNESS FIRST RESPONDER COURSE  
Sponsored by Irwin Guides and NOLS Wilderness Medicine

**DATES:** June 3<sup>rd</sup> – 12<sup>th</sup>, 2019

**COST:** \$730.00 Tuition only

**DEPOSIT:** No deposits – full payment due upon registration

**LOCATION:** Crested Butte, CO 81224

#### **COURSE DESCRIPTION**

The Wilderness First Responder course is essential if you work or recreate in the outdoors or in other austere environments where access to medical care is delayed or communication is unreliable. It is the industry standard for professional guides, trip leaders, search and rescue team members, outdoor recreationists, and international travelers. Upon completion, you will be able to conduct a thorough physical exam, obtain a patient history, assess vital signs, provide emergency care in the wilderness, and make crucial evacuation decisions. During this fast paced, engaging course, you will spend half your time practicing skills and participating in realistic scenarios, including a full-scale night mock rescue.

NOLS Wilderness Medicine's nationally recognized curriculum encompasses a wide range of topics including long-term patient care, wound management, selective spine immobilization, reducing dislocations, litter packaging, and epinephrine administration. Dynamic educators who have practiced medicine in both wilderness and urban environments will teach you skills and protocols to step forward in an emergency, and you will finish the intensive 80-hour course with the tools and confidence to manage patients in the backcountry for multiple days.

Upon successful course completion you will earn the following NOLS Wilderness Medicine certifications: Wilderness First Responder, Adult and Child CPR & Airway Management, and Epinephrine Auto-injector.

#### **CLASS FORMAT AND PERSONAL PREPARADNESS**

Check in is at 7:45 a.m. on the first day of the course. Course days run from 8:00 a.m. to 5:00 p.m., with two additional evening sessions. Ten-day courses will include a day off; nine-day courses will not. The class format is classroom lectures integrated with practical scenarios, case studies, and skills practice sessions. Attendance is required at all classes. Scenarios and practice sessions will take place both inside and outside. Bring outdoor clothing appropriate for lying on the potentially wet, snowy, or cold ground playing the role of both rescuer and patient. Frequently stage (moulage) blood and make-up are used to enhance the realism of a scenario. The classroom environment generally lends itself to a pair of comfy shoes or slippers and a camp chair. A 4-hour evening, outdoor mock rescue is part of the curriculum;

dress accordingly.

### **Packing Checklist**

### **COURSE OUTLINE**

For the full course outline, visit the WFR course page:

[www.nols.edu/en/coursefinder/courses/wilderness-first-responder-WFR/](http://www.nols.edu/en/coursefinder/courses/wilderness-first-responder-WFR/)

### **REGISTRATION/POLICIES**

Payment in full is required to reserve your spot in the course. Tuition is payable by check (with driver's license number), Visa/MasterCard/Discover/AMEX or cash. The tuition fee covers textbooks, syllabus, equipment, and certifications. NOLS Wilderness Medicine is not obligated to allow any student to attend a course until all NOLS Wilderness Medicine paperwork has been received, reviewed and approved by NOLS Wilderness Medicine. A full refund will be given if we need to cancel the course for any reason.

### **CANCELLATION AND REFUND POLICY**

If a student cancels or withdraws from a course:

- Greater than or equal to 30 days prior to the course starting date, NOLS Wilderness Medicine, and Irwin Guides will retain a \$100 administrative fee. The remainder of tuition will be refunded.
- Within 30 days of the course start date tuition is non-refundable.

### **NOLS WILDERNESS MEDICINE STUDENT AGREEMENT**

Please download this agreement and read it carefully as it affects your legal rights:

<https://www.nols.edu/en/filer/public/1481683959/906/>

Bring the two-page signed document to the first day of the course. If you are a minor, a parent or guardian must sign the document as well. Without a signed document, you cannot participate in the course. NOLS Wilderness Medicine participants, including minors, will have unsupervised free time throughout the course. Any activities during the free time are not part of NOLS Wilderness Medicine program and are at the sole risk of the participant.

### **CONTINUING EDUCATION CREDITS**

#### **EMT Continuing Education**

NOLS Wilderness Medicine is proud to be a Commission on Accreditation of Pre-Hospital Continuing Education (CAPCE) accredited organization. Current EMTs are eligible to receive 70

CEU hours at no additional cost for participation in a Wilderness First Responder course. Please bring a photocopy of your current EMT card(s) with you to your course. Please ensure that CAPCE CEUs will be accepted by your State EMS organization.

Fellowship in the Academy of Wilderness Medicine (FAWM)

Through joint sponsorship with the Wilderness Medical Society active members of WMS may earn up to 55 hours at no additional cost for participation in the Wilderness First Responder course. Learn more about WMS here: [www.wms.org](http://www.wms.org)

## **COLLEGE CREDITS**

### **Pre-Course Access to College Credit**

The WFR course is pre-approved for three semester hour credits through Western State Colorado University (WSCU) for an additional cost of \$240. Thirty days prior to the NOLS Wilderness Medicine course, interested students must initiate registration and payment for credit by requesting an enrollment form for WSCU from NOLS Wilderness Medicine.

### **On-Course Access to College Credit**

The WFR course is pre-approved for three semester hour credits through the University of Utah for an additional cost of \$300. If you are interested in receiving college credit, please inquire with your instructors on the first day of class for the necessary information.
