## OUR CAMPUS

Founded in 1978, Eagle Bluff is a private, non-profit residential environmental learning center located in the scenic bluff country of Lanesboro, Minnesota. We offer year-round accredited education programs & outdoor adventures that serve over 16,000 children and adults each year.

Through hands-on learning in nature, we provide transformative experiences which empower people to care for the earth and each other. We invite you to try them yourself, or simply explore our beautiful campus.

See you on the Bluff!
