## Pay-by-Cell

Mines offers Passport Parking as a pay-by-cell option for all visitors. Go to <https://ppprk.com/park/> or download the Passport Parking application on your mobile phone. You will be prompted to create an account and add your vehicle information in to our system. Then you will need to enter the four digit zone number for the lot you parked in. The zone numbers are located on the yellow and black Passport Parking signs in each lot. At any time, if your visit is unexpectedly extended, you can extend the amount of time needed to continue parking in the lot. For assistance, please contact the Parking Department at (303)273-3100.

## Pay Stations

Pay station locations are indicated by orange dots on the . Our pay stations accept cash (no pennies) and cards, but they **do not give change**. Using a pay station in a blue General lot will allow you to park in any blue General lot or campus street. Paying for parking at a pay station in a yellow Commuter lot will allow you to park in any yellow Commuter lot or Mines Park residential area. Printing a pay station receipt is optional and display of the receipt is not required as parking is enforced via license plate software. Report pay station errors to the Parking Department at (303)273-3100. Campus parking maps are available at all of the pay stations to help guide you around campus.
