COVID-19 Practices and Policies

In order to participate in this NOLS Wilderness Medicine course, upon arrival you must provide proof of a negative [COVID-19 test](#) administered no more than 5 days prior to the course start date. COVID-19 PCR tests are preferred, but COVID-19 Antigen tests are acceptable. The results of a COVID-19 antibody test are **not** acceptable. Students who arrive without proof of a negative test result will not be allowed to participate in the course. For more details, please review the COVID-19 Testing Section of the [NOLS Wilderness Medicine COVID-19 Disclosure, Practices, and Expectations for Students](#).

To help mitigate the spread of COVID-19 in our classrooms, NOLS has instituted a set of policies regarding the use of personal protective equipment (masks, gloves, etc) and hygiene practices that all students and staff must follow. [These policies can be read here](#). Please review this document ahead of your course. Willful failure to comply with these practices could result in dismissal from your course.
