Travel, Meals, and Lodging

Meals and Lodging

There is not a standard meals and lodging package available for this course.

The YMCA does have private bunk rooms with a shared bathroom (no kitchen, but there is a microwave, hot water dispenser, and refrigerator). These are not available every course. The cost is \$70/night and linens are an additional \$35 per night. If you are interested in this option please contact Ready SF directly at info@readysf.com for more information.

Students are required to arrange all lodging and food. www.airbnb.com and www.hotels.com are great resources for finding lodging. There are numerous grocery stores and eateries within the area.
