Travel, Meals, and Lodging

Meals and Lodging

There is not a meals and lodging package available for this course. Students are required to arrange all lodging and food.

There are many lodging options in Anchorage including AirBNB, hotels and campgrounds in nearby Eagle River. The U-Med district and Midtown tend to have nicer accommodation options. For camping in Eagle River, which is a 20 minute drive north, look at the Eagle River Campground. Anchorage itself has all the amenities you would expect in a small city.

Travel

The course venue is located in North Anchorage, Alaska. For air travel, fly into Ted Steven's Anchorage International Airport. There are many car rental options available from providers at the airport or Turo. Uber and Lyft are also available in Anchorage but are sparse if you are planning on staying anywhere else in Alaska. The venue is located in town adjacent to biking, walking and cross country ski trails.
