Meals and Lodging

There is not a meal and lodging package available for this course. Students are required to arrange all lodging and food. There are hotels in the area and a few campgrounds that generally fill quite early. There will be no camping in the parking lot or staying in your vehicle on Mines property during this course.

Travel

Exit 6th Ave and head east on 19th street until the roundabout. Take the 3rd exit onto Elm Street and continue until you see a climbing boulder on your right. That is the Student Rec Center. Go in the main doors not the doors with 'Outdoor Recreation Center' above them. Classroom is on that top level, but you need to go down the stairs near the rock climbing wall, then up the stairs to the weight room then down the hall and the room is on the left. AKA, follow the signs.

Parking

You will receive an email from Mines Parking with more information on how to purchase parking for the week.
