The evening session typically runs from 7:00 PM to 9:00 PM. Hour long dinner break will be provided on days with evening sessions as well.

**Cost:** \$875 Student of Course Host  
\$925 Non-Student

**Location:** Williams Village Rec Center, CU Boulder Campus  
3300 Baseline Rd. Boulder, CO

### Travel, Meals, and Lodging

#### Meals and Lodging

There is not a meals and lodging package available for this course. Students are required to arrange all lodging and food.

Fairfield Inn & Suites is 1.5 miles from the Williams Village Rec Center, and the nearby shopping plaza at Baseline & 30th has a grocery store and several casual restaurants for lunch options.

#### Travel

The course takes place in the [Williams Village Rec Center](#) on the Williams Village campus at CU Boulder, located near Baseline Rd. and 30th St. in Boulder, CO.

Directions: From Highway 36, take the Baseline exit and proceed east to the next intersection at 30<sup>th</sup> street. Turn right (south) onto 30<sup>th</sup> street. After the road curves slightly to the left, turn left into lot 614.

Walk northeast from the parking lot along the sidewalk, between the buildings. You will see a large open field to your right and the Williams Village Rec Center is the small building to your left. When you enter, let the staff at the desk know you are here for a WFR course and they will direct you to the classroom.

Parking: The fee for parking in this lot is \$2 per hour Mon-Sat, and \$1 per hour on Sunday. Parking can be paid for with a credit card using the pay stations at the lot, or by using the [Park Mobile app](#).

You can also look for street parking in the neighborhoods north of Baseline. Some areas have time or permit restrictions, so read all posted signs carefully and park at your own risk. Allow extra time to walk back to the classroom and use the crosswalk at 30th street to cross Baseline Rd. safely.

Bus: RTD bus routes BOUND and 225 have stops at Baseline and 30<sup>th</sup>, see the RTD site for bus schedules.

Bicycle: Bear Creek bike path runs right along the east edge of the Williams Village field. Covered bike racks are available at lot 614, and there is a BCycle station at Williams Village just south of the Baseline and 30<sup>th</sup> st. intersection.

### Registration

#### How to Register

NOLS is collecting tuition and enrollment information for this course. Please register on the NOLS website.
