Travel, Meals, and Lodging

Meals and Lodging

Teton Science Schools' (TSS) Jackson Campus provides on-site lodging and meals for students for the duration of the course. Student rooms are assigned randomly and are one of two types: Plains rooms (first floor, shared bathroom) or Foothills rooms (second floor, private bathroom). Instructors are lodged separately from students, in their own private rooms.

Meals are prepared by professional kitchen staff and served family-style Monday through Friday ONLY; there are no meals provided on weekends, so students should plan to bring or arrange their own food for Saturday and Sunday. Please bring your own bedding and towels. Housing is limited and guests are not allowed during the course.

Travel

The course venue is Teton Science Schools' Jackson Campus, 700 Coyote Canyon Rd, Jackson, WY 83001. The closest major airport is Jackson Hole Airport (JAC); students flying in are responsible for their own transportation to campus. For road conditions, visit map.wyoroad.info.
