Travel

DIRECTIONS: 24191 Hwy 20 (East)
From Central Bend, take Greenwood (Hwy 20) East. You can access Greenwood at 3rd St. (old Hwy 97, 97 business loop)

Once heading East on Hwy 20 from 3rd St. you are less than 15 minutes from the property. Head East past Pilot Butte, then the businesses East of there and once you pass NE 27th St. you will be sailing toward us with no intersections and no stops! There are a few well used intersecting roads so be mindful of slowing traffic turning, but most of your next 10 miles will be cruising.

Watch for mile markers. At mile marker 10 you will notice Pine Mountain Ranch (yak, buffalo and Elk for sale) on your right. Continue on and at mile 11 you will pass Rickard Road on the Right. You are about 3/4 mile now. As you pass Diamond T road on the right you will notice a weigh station diversion road on opposite side of Hwy on your left. When that road re-enters the Hwy in the Westbound direction our mailboxes (with address 24191) will be immediately on your Right. You should be prepared to slow and turn once you pass Diamond T Rd. We are 3 tenths of a mile past Diamond T on right. The yellow mailbox after Diamond T road is the warning to start slowing down for your right turn.

Turn in at mailboxes and continue STRAIGHT with sign for 24191. Don't veer left or right. Once you pass our 24191 sign follow winding gravel drive through gate and on to signed parking.
